

# PRESSURELESS

ACCESSORIES AND ALTERNATE EQUIPMENT

## AD150 ①

2" NPT adaptor for the PLA150-M SV or R150CV for remote mounting receiver

## AD150J ②

2" JIC adaptor remotely mounts a receiver with a JIC hose connection

“Pressureless **benefits** are two fold. **First** we see no fuel on the ground. **Second** we are having fewer issues with the tank repairs caused by over pressuring and over filling.”

-Greenhills Mine Sparwood, BC

## PLA 150-MDT ③

Pressureless Drain Tool

## R150-TL70-J ④

Receiver for 70mm “Twist Lock” nozzle for pressureless application
